Letter on awareness of the request for access allocation

To whom it may concern,

I am aware of Prachit Gupta's interest in utilizing ACCESS resources in pursuit of our planned research activities and intend to engage with and guide our computational and research activities.

Sincerely,

HIROYASU TSUKAMOTO, PH.D.

Assistant Professor of Aerospace Engineering at the University of Illinois Urbana-Champaign

<https://hirotsukamoto.com/bio/>

Dr. Tsukamoto is an Assistant Professor of Aerospace Engineering at the University of Illinois Urbana-Champaign and the director of the N-ACXIS Laboratory. Prior to joining Illinois, he was a Postdoctoral Research Affiliate in Robotics at the NASA Jet Propulsion Laboratory, where he contributed to the Science-Infused Spacecraft Autonomy for Interstellar Object Exploration and Multi-Spacecraft Autonomy Technology Demonstration projects. He received his Ph.D. and M.S. in Space Engineering under the guidance of Prof. Soon-Jo Chung. He is the recipient of several awards, including the Caltech William F. Ballhaus Prize for the Outstanding Doctoral Dissertation in Aerospace Engineering, Forbes 30 Under 30 Asia – Class of 2025, the Innovators Under 35 Japan Award from MIT Technology Review, and the AIAA Journal of Guidance, Control, and Dynamics Editor's Choice Award. He is an Associate Editor of the IEEE Robotics and Automation Letters.
